

# Gil JONES on our quality of life

As an avid cyclist, I've ridden the roads of District 5, Las Cruces and Doña Ana County for years. This gives me a unique perspective on how our city is growing and changing.

As a citizen, I became concerned about traffic congestion, poor flood control, a lack of parks and swimming pools, and no emphasis on **smart** growth planning.

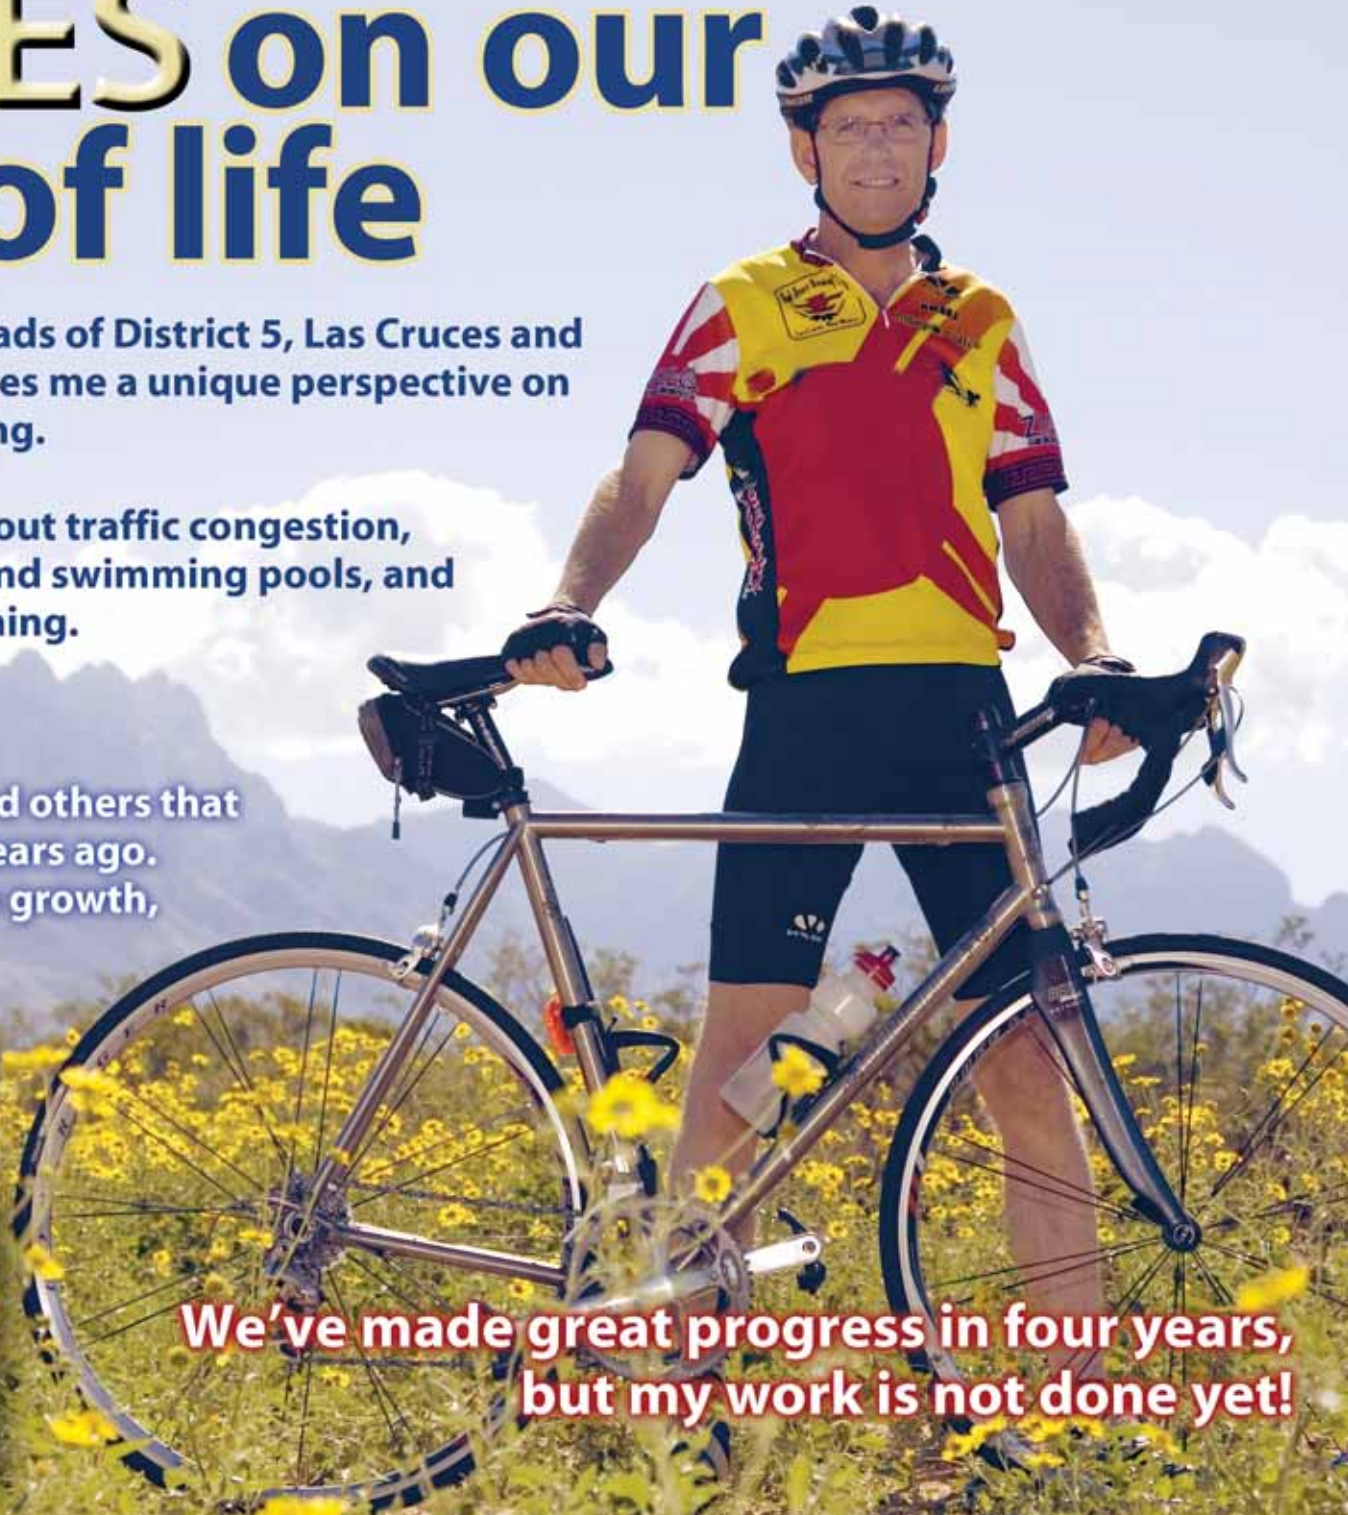

It was because of these concerns and others that I chose to run for city council four years ago. I knew that instead of trying to stop growth, we needed to be ready for it.

making a difference  
for YOU in District 5!

RE-ELECT

**Gil JONES**

**We've made great progress in four years,  
but my work is not done yet!**
